

Information for Coach Groups attending Queensland Garden Show

Thank you for choosing to bring your group to the Queensland Garden Show.

The following may assist you with your planning.

- Queensland Garden Show has a dedicated Coach Reception area within Nambour Showgrounds. When you arrive at the entry our gate staff will direct you to this point. Your passengers will be able to disembark here. Our Coach Reception Team will give your group a brief overview of the event and hand out program magazines. They will also direct your coach driver to the free coach parking area. This is located within the grounds.
- Take the Nambour/Mudjimba exit from Bruce Highway and proceed towards Nambour. You will then take the first left, into Crusher Park Drive and proceed to gate. Once you have dropped off your passengers at the dedicated Coach Reception Area, you will be directed to the coach parking bays. Please do not drop off your visitors at the front entry gate.
- There is a map on our website that shows directions to enter via the right gate into the showgrounds.
