## **OVERVIEW**

An integral part of the Sunshine Coast region for the past 42 years, Queensland Garden Show (QGS) - formerly Queensland Garden Expo, accommodates over 300 stallholders, food offerings, landscape displays, celebrity speakers and guests, entertainers and over 30,000 local, intra and interstate visitors. Recognised as the number one gardening event in Queensland, it provides real marketing opportunities for your business. Involvement from all aspects of the horticultural industry ensures we create colourful, educational and aesthetic exhibits, making certain the attendees get value for their money, expert advice, and firsthand knowledge of the gardening industry.

TLC Events Co has been contracted as the Event Managers to coordinate the event on behalf of the Event Owner – Greenlife Industry Queensland. GIQ are looking for a range of changes over the coming years to ensure a strong ‘garden’ focus is displayed at the Event.

Other facts you need to know which will be promoted prior to the Event:
