PRESENTING PARTNER

10 + 11 + 12 JULY 2026

NAMBOUR SHOWGROUNDS - SUNSHINE COAST

MAYORAL MESSAGE

The Queensland Garden Show remains a much loved highlight in the calendar of gardening enthusiasts from across the country.

On behalf of Sunshine Coast Council, I am delighted to warmly welcome all stallholders, presenters and the thousands of passionate gardeners joining us for the 2026 Queensland Garden Show at Nambour Showgrounds.

In its 41st year, this highly anticipated event continues to flourish, bringing together green thumbs of all ages to celebrate the beauty, creativity and sustainability of gardening.

Council is proud to support events like this that deliver strong value for our community, while also supporting local jobs, tourism and the local economy.

With our ideal climate, rich horticultural heritage and strong connection to the natural environment, it is no surprise the show holds

such a respected place in Australia's gardening calendar.

Whether you are visiting for the first time or returning as a long-time attendee, I encourage you to take time to explore everything the Sunshine Coast has to offer; from our lush hinterland and vibrant local markets to pristine beaches and exceptional local produce. There is truly something for everyone to enjoy.

As a proud UNESCO Biosphere, the Sunshine Coast is committed to living in harmony with nature. The Queensland Garden Show highlights how we can nurture our environment while embracing innovation, education and community connection - values that sit at the heart of our region.

Thank you to the dedicated volunteers, sponsors, stallholders and organisers whose passion and commitment bring this event to life each year. Your efforts not only inspire beautiful gardens, but also help cultivate a stronger, more connected community.

I look forward to sharing another wonderful show with you in 2026 and celebrating our collective passion for all things green and growing.

Mayor Rosanna Natoli
Sunshine Coast Council

Homegrown events play an important role in showcasing new ideas, celebrating culture, and creating memorable experiences for visitors, all while contributing to Queensland's vibrant and diverse events calendar.

Beyond the Queensland Garden Show, there is so much to see and experience in the Sunshine Coast. I encourage visitors to take the opportunity to explore the area and enjoy the wide range of tourism opportunities that Queensland has to offer.

I want to congratulate the organisers and all those involved in delivering the Queensland Garden Show for their outstanding efforts and playing a vital role in Queensland's dynamic Homegrown events sector.

Andrew Powell MP
Minister for Tourism

Find Your Sunshine Moment WITH THESE WINTER ACTIVITIES

Go Whale Watching

During winter, you'll be sharing our big blue front yard with humpback whales as they migrate north – so why not score a front row seat and watch in awe as they frolic at sea. Looking to get up close and personal with these gentle giants? Take your pick of Sunreef Mooloolaba, Sunshine Coast Afloat, Adventure Rafting, The Pressure Project and Whales Sunshine Coast who all offer whale experiences that will provide 'pinch me' moments aplenty.

Dine in Queensland's Sunshine Pantry

Taste your way around Queensland's Sunshine Pantry this winter, where more than 900 local growers, makers and producers serve up fresh seasonal flavours. Sip small-batch spirits at Sunshine & Sons, settle in at Warrior Restaurant & Bar, soak up ocean views at Sully's Rooftop Restaurant & Bar or graze your way through Alsahwa Estate and Glasshouse Plantation.

Take a Hinterland Escape

If curling up by a crackling fire and sipping vino in the middle of the rainforest sounds like the ultimate winter escape – then make tracks to the Sunshine Coast Hinterland. Hike Mary Cairncross Scenic Reserve and the Glass House Mountains, picnic by hidden waterfalls and immerse yourself in the sounds of nature.

Meet the Wildlife

From hand-feeding kangaroos to meeting cheeky meerkats and colourful birds, the Sunshine Coast is full of unforgettable wildlife encounters. Spend the day at Australia Zoo, discover native and exotic species at Wildlife HQ, or wander through Maleny Botanic Gardens & Bird World for animal moments the whole family will love.
